

Support services available in Hertfordshire

HPFT Single Point of Access on 0800 6444 101

Our Children and Young Persons
signposting guide is available as a
PDF here.

Hertfordshire Partnership
University NHS Foundation Trust

Spot the Signs and Save a Life is a suicide prevention campaign helping to remove the stigma of talking openly about suicide.

We provide training courses and signpost to the mental health and support services available in Hertfordshire.

We aim to:

- Increase public awareness of depression and suicide in Hertfordshire
- Remove the stigma linked with suicide
- Provide suicide prevention training to GPs, healthcare providers and the voluntary sector in Hertfordshire
- Work with companies to create safer workplaces
- Signpost to mental health services available in Hertfordshire

Our vision is to make Hertfordshire a county where no one ever gets to a point where they feel suicide is their only option

Mobile Apps

StayAlive is a pocket suicide prevention resource you can use if you are having thoughts of suicide or if you are concerned about someone else who may be considering suicide.

The app includes a variety of resources, including a safety plan, customisable reasons for living, and a life box where you can store photos that are important to you.

Available to download for free via the App Store or Google Play.

Hub of Hope is a mental health database bringing grassroots and national mental health services together in one place.

Using the location of web browser or mobile devices, the app allows anyone, anywhere to find the nearest source of support for any mental health issue.

The hub of hope is available at hubofhope.co.uk or as a free, downloadable app on iOS and Android devices.

Calm Harm is an award-winning app developed for teenage mental health.

It provides tasks to help you resist or manage the urge to self-harm. You can make it private by setting a password, and personalise the app if you so wish.

You are also able to track your progress and notice change.

Available to download for free via the App Store or Google Play.
